

Deep Homeopathy & Psychology Clinic

Dr. Poonam Solanki

About Us

Deep Homoeopathy & Psychology Clinic, led by **Dr. Poonam Solankii**, offers holistic healing by addressing the mind, body, and emotions. With **15+ years of experience**, the clinic treats root causes of stress, anxiety, and psychosomatic issues through homeopathy and therapy. Services include consultations, emotional wellness programs, and community outreach. **Honoured by the Prime Minister in 2011**, the clinic champions mental health as a right for all.

Our Impact

► A Special Visit to Maher Vatsalyadham NGO

- Team, recently visited **Maher Vatsalyadham Ngo**, Home for Homeless People, to conduct an interactive wellness session. The visit focused on emotional healing, mental health awareness, and holistic well being through the integration of homeopathy and psychology.
- It was a heartwarming interaction filled with shared stories, learning, and positivity, aiming to empower women staff with tools for emotional balance, resilience, and hope.

► Medical Camp at Australian Practices International Preschool & Childcare

- A meaningful visit to **Australian Practices International Preschool & Childcare** focusing on children's physical and emotional well being. We conducted child health check ups, offered homeopathic guidance, and provided counseling support for children.

Our Impact

► For Students:

- Webinar for aspiring students on various topics.
- Student mental health & exam anxiety sessions

► For Transgender and Underrepresented Communities :

- Medical Health Camp and Workshop – At New Delhi, conducted in collaboration with social activist **Mr. Sanjeev (Nayi Soch)**, addressing the psychological and medical needs of transgender individuals.

► Psychological Counselling Session at Jamia Hamdard Research :

- Conducted an interactive, solution-driven psychological counselling session for Jamia Hamdard research scholars, led by Dr. Poonam Solanki.

Prof. Dr. Javed Ali (HOD, Dept. of Pharmaceutics)

Webinars | Workshops | Collaborations

- Conducted student webinars on exam stress & emotional well being
- Held workshops for women and underserved communities
- Led corporate and elderly sessions on mental health and resilience

Collaboration With Us

We're open to partnering with NGOs, corporates, schools, and like minded groups to create impactful workshops, seminars, and healing sessions, online or offline.
